Über die Messe

Classic delicatessen and trendy foods offered by 475 strictly selected exhibitors. Tavola presents Burgundian classics as well as trendy foods in a unique mix of high-quality products offered by dynamic market leaders and exclusive fine products made by artisan producers. Every two years more than 17,500 purchasing managers and decision makers from the food retail trade and catering organizations from more than 30 countries discover an overview of strictly selected fine foods and fresh products.
