#### Über die Messe

The FESQUA – International Trade Show of Window and Door Industry arrives consolidated as the biggest and most important event for the market of window and door in Latin America. The fair has become a true and powerful center for generating business and lucrative opportunities for exhibiting companies and for visitors, potential buyers of this market. Held every two years, FESQUA brings together in one place, innovations in frames and windows, doors, windows, facades, ceilings, gates, grids, accessories and components, machinery and equipment for the window and glass industry. A simultaneous event of FESQUA, EBRATS – Brazilian Meeting and Exposition of Surface Finishing, is biennial event, recognized as the great showcase and the largest forum in Latin America regarding the dissemination of processes that occur in the entire universe covered by the Surface Finishing segment.
