Über die Messe

Index is India's leading trade fair for interiors, this is the largest event in this sector. The event attracts participation from all over the world such as Turkey, Australia, Italy, UK, Germany, Taiwan, China, and many more. Index is known for its design led spaces and initiatives which attract the top trade visitors - architects, builders and interior designers. The show is on the world map for interior trade fairs. All main international brands have entered India via Index. This show provides a unique B2B platform to interact, network and transact businesses amongst trade buyers from in and around India.
