Über die Messe

China GRTAE is the most convenient powerful and international trade platform for domestic and foreign buyers, specialized for tire, wheel, equipment and related parts since 2010. Nowhere else in the world you can meet so many Chinese suppliers as in China GRTAE, it's the biggest market place in the world for tire industry. You could meet with Chinese manufacturers to buy you want. You could show the most high-end products and get 100,000 inquiries. You could publish unique industry insights and discuss with tens of thousands of peers... Don't miss the chance to find your right partner! China GRTAE was certified by UFI in 2015 and awarded as "China Top Ten Brands Exhibition Projects", which is the 1st tire show in China. It was identified as the No.1 of Shandong Brand Exhibitions by Shandong Provincial Department of Commerce in December 2017 and selected into the project of "One Province, One Exhibition" of China Council for the Promotion of International Trade in May 2018.
