Über die Messe

This is the most comprehensive & focused exhibition ever in the North since the dawning of the peace and successfully organized by Lanka Exhibition & Conference Service (LECS). Jaffna is the enter for commerce in the north with easy access to Kilinochchi, Vavuniya, Mulativu and the entire Jaffna Peninsula. This mega trade fair will bring together a large number of local and foreign companies to display their products and services to a large number of visitors in the north.
