Über die Messe

International Investment Forum PROESTATE is a multi-format and multi-disciplinary event focusing on urban development and real estate market. Investors, developers, managers, consultants and architects from all-over Russia come to PROEstate annually to present their projects, find new partners and offer state-of-the-art services. Diverse formats of PROEstate include exhibition, conference program and professional workshops. The event-packed forum agenda is combined with tailor-made business sightseeing program.
