#### About the expo

With more than 2,700 exhibitors from over 50+ countries, EISENWARENMESSE – International Hardware Fair Cologne is the largest and most international exhibition worldwide. The offer ranges from tools, to fasteners, fixings and fittings, through to industrial and home improvement supplies. On 165,000 square metres of exhibition space, every two years the entire global industry presents what is important and what will become important in the hardware sector. Over a period of four days, the most important decision-makers, manufacturers and trade visitors from more than 140 countries will meet up in the exhibition halls of Koelnmesse to experience pioneering innovations and the most exciting trends, establish contacts and do the biggest business of the year.
