About the expo

INTERGEO, consisting of a conference and a trade fair, is the world's largest event in the

HINTE Messe- und Ausstellungs-GmbH

HINTE Messe- und Ausstellungs-GmbH

field of geodesy, geoinformation and land management. It takes place annually at changing locations in Germany. The conference deals with current topics from politics, administration, science and industry. With its Geo-IT potential, INTERGEO aims to further optimize processes in numerous target markets.
