Guangzhou International Mould & Die Exhibition

INTERNATIONAL TRADE FAIR

11 – 13 August 2020

Guangzhou, China, PR

DATE CHANGED

Exhibition date 2020

GENERAL OVERVIEW

11 – 13 AUGUST 2020

Opening hours

9.30am – 5pm, last day 9.30am – 3.30pm

Location

China Import & Export Fair Complex, Pazhou Island

380 Yuejiang Zhong Road, Haizhu District

510335 Guangzhou

China, PR

Asia

About the expo

Debut in 2007, Asiamold in Guangzhou is a professional platform for the promotion and marketing of mould-making services, tooling and machinery, additive manufacturing in Asia. Exhibits include all types of moulds, including precision, plastics, die & casting, and injection, plus machine and cutting tools, pattern-making and prototyping equipment, hot-stamping machinery, and design and application development technology, machinery and services, additive manufacturing, laser welding and metal working. Visitors from many varied sectors of industry are attracted to attend the show, including representatives from the following industries: aerospace, automotive, beauty, bicycles, chemical, construction, consumer goods, electronics, furniture, engineering, home appliances, IT, medical / optical, mining, packaging, ship-building, shoes, sports & leisure, telecommunications and toys.

More Facts

Show type

International trade fair

First year of expo

2007

Branches

Foundry, Capital Goods, Plastics, Rubber, Engineering, Measurement, Instrumentation, Quality Assurance, Metalworking, Machine Tools

Products / Sectors

Mould-making, tooling precision moulds, plastics moulding, die and casting moulds, injection moulding, tools and precision tools, auxiliary, pattern-making and prototyping, rapid manufacturing, progressive die, hot stamping, tool and mould-making, consulting, 3D printing, 3D printer, 3D scanning and relative software, 3D printing materials, 3D printing service design, engineering, application development design, simulation, visualization, mould development and engineering, virtual reality, production technology & inspection, measuring machines, CAD/CAM, additive manufacturing, laser welding, metal working

Open to

Trade visitors

Frequency

Annual, with SIAF Guangzhou
