9am - 5pm

About the expo

Welcome to HVACR/PS Vietnam, Vietnam's biggest industrial event! This much anticipated event is highly regarded as Vietnam's most important international exhibition on heating, ventilation, air-conditioning, air filtration & purification, refrigeration systems, pumps, valves, compressors and related systems. This recognized industry event provides an ideal platform for international manufacturers and suppliers to launch new products; reach out to buyers; appoint agents and distributors; build brand awareness and establish business network in Vietnam's booming economy.
