

# DataCentres Ireland Exhibition and Conference

---

NATIONAL TRADE FAIR

November 2020

Dublin, Ireland

## GENERAL OVERVIEW

---

### NOVEMBER 2020

#### Location

**RDS - Irish International Convention and Exhibition Centre**

Ballsbridge

4 Dublin

Ireland

Europe

---

#### About the expo

DataCentres Ireland combines both a dedicated exhibition and a adjacent multi-streamed conference, giving attendees access to the latest in information, best practice, products, services and solutions. The Conference is your opportunity to hear the latest in ideas, best practice and case studies presented by leading industry experts and part in facilitated discussions. DataCentres Ireland addresses every aspect of planning, designing and operating your datacentre, server room, storage facility or solution.
