

CTEF

China Shanghai International Chemical Technology and Equipment Fair

Shanghai, China, PR

GENERAL OVERVIEW

Location

SNIEC – Shanghai New International Expo Centre

No. 2345, Longyang Road, Pudong New Area,
201204 Shanghai,
China, PR,
Asia

About the expo

As China's LARGEST fair for chemical engineering, CTEF focuses exclusively on technology and equipments for chemical engineering, environmental protection and fluid industry etc.

More Facts

First year of expo

2008

Branches

Chemistry

Products / Sectors

Complete sets of device & equipment of chemical engineering, equipment for filtration, distillation, extraction, crystallization, purification, equipment for separation, dry distillation, crushing, mixture, mass transfer equipment, instruments & industrial automation, fluid machinery & the process engineering technology and equipment, industrial cleaning & anticorrosion technology, , storage, transportation and packing technology & pressure vessel, heat diffusion, refrigeration & heat treatment, environmental protection, process control system & software, sealing equipment & accessories, maintenance, preservation and management

Open to

Trade visitors

Frequency

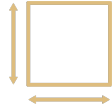

Annual
