

Inside 3D Printing Conference and Expo

NATIONAL TRADE FAIR

Sao Paulo, Brazil

GENERAL OVERVIEW

About the expo

The largest 3D Printing event in South America! INSIDE 3D PRINTING is the largest professional 3D printing and additive manufacturing event worldwide. INSIDE 3D PRINTING provides exhibitors with a schedule of trade shows and companion conferences in major cities all around the world over a calendar year. As a conference attendee, you'll explore the business applications of 3D printing through conference sessions led by industry experts, demonstrations of the latest 3D printers and services, and programming for designers, artists, and makers. Join us on our world tour and see how 3D printing is revolutionizing industries including manufacturing, jewelry, medicine, architecture, aerospace, and more.
