About the expo

China International Medicinal Equipment Fair (CMEF), founded in 1979, is held twice a year – spring and autumn. After years of continuous innovation and self-improvement, CMEF has become the largest exhibition of medical equipment, related products and services in the Asia-Pacific region. The exhibition widely covers ten thousands of products such as medical imaging, in vitro diagnosis, electronics, optics, first aid, rehabilitation nursing, medical information technology and outsourcing services, and it provides services to the entire medical industry chain from the source to the end of the medical equipment industry in a direct and all-round way.
