##### About the expo

With its exhibition BrauBeviale NürnbergMesse already organizes one of the world's most important capital goods exhibition for the whole beverage production. Now, with its new exhibition Beviale Moscow this successful concept will be adapted to the Russian market: New opportunities, new focusses, new target groups but still the same idea: Serving the local beverage industry along the whole process chain of beverage production. Covering any aspect from raw materials over technologies and logistics to marketing Beviale Moscow is the only all-in-one industry meeting in Russia for professionals in the field of beverages
