92101 San Diego,
USA,
America

About the expo

The Oceanology International portfolio of events offers the world's leading forum where industry, academia and government share knowledge and connect with the marine science and ocean technology communities. Oceanology North America's world-class exhibition and conference will help organisations reach buyers from key market regions and sectors worldwide and help them improve their strategies for measuring, exploiting, protecting and operating in the world's oceans.
