About the expo

Switzerland's most significant educational event, Worlddidac & Swissdidac, will turn BERNEXPO in Bern, from 4 to 6 November 2020, into the most relevant national meeting place for the education sector. Worlddidac & Swissdidac Bern is the Education industry's platform for current and future educational topics and material procurement across all education segments. National and international exhibitors present their most exciting innovations for the education market to those responsible for education at all levels and in all sectors – thus inspiring teachers, heads of education as well as educational leaders from all over the world.
