About the expo

Ethiopia is in the midst of a sustained growth surge that is setting ambitious targets for improvements in the health and medical sector because of its potential to contribute to improved health outcomes. At the forefront of this ambition is MEDEXPO AFRICA – ETHIOPIA. After 20 years of successful shows in Kenya and Tanzania, MEDEXPO AFRICA – the region's leading international medical trade fair makes its foray into Ethiopia. Taking place at The Millennium Hall, Addis Ababa, the exhibition will bring together industry professionals from the world's leading healthcare and medical suppliers, manufacturers and service providers, all under one roof, to showcase the latest industry innovations, network and do business.
