##### About the expo

ANIMAL TECH will take place in 2017 jointly with the National Show of Livestock, the Fair for Sustainable Living in the Landscape NATUR EXPO BRNO and the National Gamekeeping Show. This group of trade fairs was set up in cooperation with partners and co-organisers – professional associations, state administration, local government and specialised schools. The key themes of the exhibition are breeding, genetics, veterinary medicine, technology and agricultural technology for livestock. The fair is primarily aimed at experts – breeders, animal technicians, farmers and vets.
