#### About the expo

Entirely dedicated to panification, pastry and confectionery, TECNIPÃO was elected the national fair of the sector. This is where all the professionals look for the latest innovations and technologies in terms of machines and equipments, as well as wide variety of techniques, raw materials and ingredients to use in their activities. As a matter of fact, TECNIPÃO is the most important event of the branch in Portugal, the only one that gathers in a single space the panification, pastry and confectionery sectors with the realization of workshops, symposiums and demonstrations which call for the participation of the professional public during the show.
