About the expo

HORECA and GASTROFOOD are the most important autumn summit of the HoReCa sector in Poland. The companies from all over the world present their comprehensive collections of equipment for hotel and catering facilities, kitchens, restaurant rooms, and also food, beverages and wines from all over the world. The HORECA trade fairs involve the presentation of innovative solutions and advanced technologies in the sector. During numerous tastings you can not only compare the offers of manufacturers and importers but also learn about new brands and conclude business contracts.
