Adexpo, a specialist in the creation of exhibition stands, is mobilized to be the partner of your event. We are committed to the values of listening, expertise, creativity, precision, responsiveness and trust. We offer a range of "know-how" for the success of your event. Feel free to come back to our website, we regularly update our selection of stands with photos of our customers and provide innovative solutions through our various services.

Thanks to our experience since 1989, our company operates for all types of events: Fairs, exhibitions, congresses, internal or cultural events.

Our organization and logistics allow us to follow you in France and abroad.

We are present at many events. For this purpose, we invite you to consult our exhibition calendar.

Our activity and our "know-how" are organised around:

- Stand layout: Design, manufacture, installation, management of the exhibitor file
- Furniture rental: Preparation of orders - deliveries
- Signage and graphics: Large format visual on all media (wooden and pvc panel, fabric, tarpaulin...)
- Light - sound - multimedia: Lighting system, sound system, video...
- Floral decoration: Shrubs, green plants, decorations...
