## convivus – garantiert organisiert

As a congress service provider active throughout Germany, we offer a full service in the field of event management at the highest level. Whether **congresses, conferences, seminars, meetings, symposia or association management** – we help your project to outstanding success regardless of type, size and task.

We can draw on decades of experience gained from more than 500 organised events, coupled with technical know-how, to create a powerful mix for the highest quality standards.
