Neptunus GmbH

Neptunus is a leading supplier of high quality temporary structures and semi-permanent buildings for hire or purchase. Neptunus remains a family-run business known for the creativity and innovation of its temporary structures. With a head office in The Netherlands and divisions in the UK, Belgium, Germany, France, Poland and Austria, Neptunus has a proven track record in the design, manufacture and delivery of all types of temporary buildings. In the events sector, Neptunus offers an impressive range of premium quality structures. These can regularly be found at prestigious locations such as sporting events, exhibitions, corporate events, product launches, trade shows, winter events and many more.
