Messe Service Klepper GmbH

Conception

Are you looking for an experienced partner for the conceptualization of your trade fair stand? And are you hoping to find personal advice from our competent project managers? Taking your CI into consideration, we help you develop creative ideas and strategies that will draw attention to your business and your products.

Coordination

Flat hierarchies and close communication ensure that you receive a reliable and deadline-driven service. You will be assigned a point of contact at MSK who will attend to you throughout the entire duration of the project phase and who will coordinate the cost-effective production of your trade fair stand from start to finish.

We are here for you!

We are here for you! With our know-how in the field of trade fair organization our project managers are also at your service on site during the entire duration of the trade fair, so that you are able to entirely concentrate on your clients and visitors.

Trade Fair Stand Organization

Our technical draftsmen and architects are dedicated to designing your trade fair stand in terms of perfect functionality and manufacturability. We arrange for the adherence to technical guidelines and those of the particular event venue, as well as monitor and order all necessary infrastructure.

Transportation

With our own fleet of vehicles (2.8 – 7.5t) we not only offer exceptional flexibility according to your requirements or parallel events, we also can ensure the safe transportation of your trade fair stand. Thanks to excellent preparation from our

warehouse staff, nothing stands in the way of a seamless operation and deadline-driven transit.
